

# M-PACT®

## TACTICAL HAND PROTECTION

Originally designed for the U.S Army, MultiCam® camouflage is suited for various environments and light conditions. The M-Pact® features Thermal Plastic Rubber on your fingers and knuckles to reduce impact and abrasion injuries in the field. The uniquely designed Impact Guard™ frees your index finger for smooth trigger guard entry and mobility. High impact PORON® XRD® cushioning in the palm provides relief when you're fully engaged so you can maintain your focus.

### KNUCKLE GUARD

Impact Guard™ frees your index finger and molded TPR disperses impact and abrasion.

### PADDED PALM

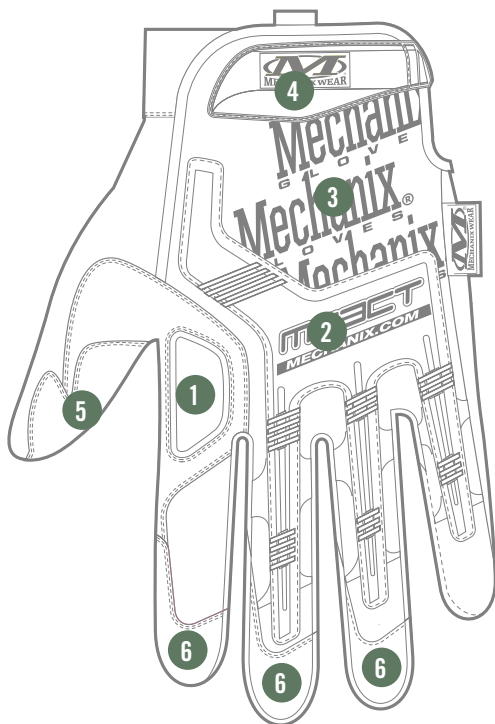

Armortex® aids in durability with PORON® XRD® impact absorption.
