- ✦ Matte black, non-reflective finish
- ✦ Fits picatinny rails
- ✦ ONLY fits straight 30mm tube magnifiers

The tactical magnifier is the ultimate rifle accessory that provides rapid transitions between a weapon's optical systems, but attaching it properly with a Sightmark Flip to Side Magnifier Mount is key. The locking quick detach design allows for quick and easy removal between weapons. This reliable, mount is compatible with straight, 30mm tube magnifiers and fits picatinny rails. The flip to side design means your magnifier is ready when you need it and out of the way when you don't, with little action in between. Made from durable 6061-T6 aluminum and coated with a matte black, non-reflective finish, the Sightmark magnifier mount will keep pace in the most punishing conditions.
